FCH664-XL

The FullCourt **FCH664-XL** is truly top of the line! This unit provides all the performance of our largest hoops with a slightly downsized 42"x60" backboard. The 6" post has a 48" offset, 60" tempered glass backboard and our ClearView backboard mounting design just like the pros play on!

Top Of The Line

- **Adjusts from 10' down to 5'** – Lowest adjustment height available. Easy to read rim height indicator shows exact height of rim.
- **Effortless Adjustment** – Our spring-assist crank design carries the weight of the backboard making rim height adjustments easy for young players.
- **Thick ½" Tempered Glass** – 42"x60" is the perfect size for half court.
- **Clean Look** – ClearView backboard mount design, no support bars behind the glass!
- **Tough As Nails** – One piece 6"x6"x 7 gauge square pole with 48" offset is designed to withstand even the most aggressive slam dunk action.
- **Bolt-Down Installation** – Installation is easy with bolt-down post design. Allows goal to easily be relocated if you move.
- **FREE! Post Pad & Backboard Pad** – Keep your players safe with pre-installed post pad and backboard pad.
- **FREE! Weather Shield Protection** – Each unit has a zinc galvanized undercoat and then is top coated with black powder coat paint for an impenetrable weather barrier.
- **FREE! Lift Gate Delivery** – Your unit will be delivered using a lift gate to assist lowering the unit to the ground off the back of the delivery truck.
- **LIFETIME WARRANTY!** – Each unit is covered from top to bottom by our lifetime warranty which covers damage caused by all basketball related activity, including dunking and hanging on the rim!

TPT664-XL

The Triple Threat **TPT664-XL** is massive! For anyone planning a regulation full court or half court, this is the perfect sized unit. The 6" post has a 48" offset and a regulation sized 60" tempered glass backboard!

Performs like it came straight out of the gym!

- **Adjusts from 10' down to 5'** - Lowest adjustment height available. Easy to read rim height indicator shows exact height of the rim.
- **Effortless Adjustment** - Our spring-assist crank design carries the weight of the backboard. Backboard cranks up as easily as it cranks down.
- **Thick 1/2" Glass Backboard** - Unmatched ball bounce off the backboard. 42" x 60" perfect size for full court or half court basketball.
- **48" Offset from Backboard to Post** - Plenty of room for play underneath the basket. Helps avoid player contact with the post.
- **Tough as Nails 6" Post** - One piece 7 ga. square pole is solid as a rock even under the heaviest slam dunk action.
- **Breakaway Rim & Net** - True gymnasium quality flex goal and net.
- **Bolt-down Installation** - Installation is easy with bolt-down post design. Allows easy goal relocation if you move.
- **Free Post Pad & Backboard Pad** - Keep your players safe with post padding and backboard padding included.
- **Free Weather Shield™ Protection** - Each unit has a zinc galvanized undercoat and then top-coated with black powder coat paint for an impenetrable weather barrier.
- **Stainless Steel Assembly Bolts**
- **Free Liftgate Delivery** - Your unit will be delivered using a liftgate to assist lowering the unit to the ground off the delivery truck.
- **LIFETIME WARRANTY!** - Entire unit is backed by our lifetime warranty which covers dunking and hanging on the rim!

TPT554-LG

This Triple Threat unit is designed specifically for those setting up a court in the backyard. The **TPT554-LG** has a 5" post with extra 48" offset for faster paced play and a larger 60" tempered glass backboard. This is an excellent unit for anyone planning a half court in the backyard.

GC55-LG

The GC55-LG Basketball System is an in ground basketball hoop designed for realistic basketball action. Its 12 ga. 5"x5" one piece post is thicker and far superior in strength to competitors thinner 2-piece post design. The GC55-LG includes a convenient anchor bolt mounting system that makes it easy to level or relocate the basketball goal. Enjoy authentic gymnasium play with a professional quality breakaway rim and 5/16" thick tempered glass backboard that provides true, authentic rebounds. The overhang provides plenty of area for post play. The all-steel actuator allows simple and precise goal adjustments from 7.5 to 10 feet.

The unit includes such features as aluminum trim around the backboard, powder coating, and zinc-coated hardware for corrosion resistance. The GC55-LG comes with a lifetime limited warranty. Safety is a must, with Ironclad's GC55-LG post pad and pre-installed backboard pad are included!

Exceptional Driveway Performance!

- **Adjusts from 10' down to 7 1/2'** – Great for all ages. Easy to read rim height indicator shows height of the rim.
- **Easy Adjustment** – Our all steel crank actuator makes moving the backboard a snap!
- **Thick 5/16" Glass Backboard** – Unmatched ball bounce off the backboard. 36" x 60" perfect size for driveway basketball.
- **30" Offset from Backboard to Post** – Helps avoid player contact with the post.
- **Tough as Nails 5" Post** – One piece 12 ga. square pole is extra rigid even under slam dunk action.
- **Breakaway Rim & Net** – True gymnasium quality flex goal and net.
- **Bolt-down Installation** – Installation is easy with bolt-down post design. Allows easy goal relocation if you move.
- **Free Post Pad & Backboard Pad** – Keep your players safe with post padding and pre-in-stalled backboard padding included.
- **Powder Coat Protection** – Each unit has black powder coat paint for a superior weather resistance.
